

WineBoard

'Educate'

'Promote'

'Explain'

Neodistributing in partnership with Sellr now offers WineBoard, the best companion of your enomatic® elite wine dispenser and your new favorite marketing tool.

- **EXPLAIN:** show **step-by-step instructions** to the users. This is so critical when your dispenser is in self-serving configuration.
- **EDUCATE:** showcase the tasting notes, either by taping in the embedded database of **130,000+ curated wine references** and associated information or by inserting your own tasting notes. Attractive HD pictures, large visible fonts and pictograms help users get the information they need quickly.
- **PROMOTE:** use that prime real estate to **broadcast** pictures and videos to **promote** specifics wines, brands or simply **communicate** about your products and events (tastings, sales...).

WineBoard is powered by Sellr's expertise and industry-largest curated wine database, providing you prime and updated content.

The WineBoard hardware kit includes:

- commercial grade super wide LCD screen ;
- Internet connected digital media player (can be mounted behind the screen) ;
- VESA display mount (different configuration available) ;
- Video cables.

WineBoard requires a monthly subscription. Ask your sales rep about details.
